PO Box 849
Plummer, ID 83851
plummerlibrary@gmail.com

MISSION STATEMENT

It is the mission of Plummer Public Library to provide residents of the community and surrounding rural areas access to basic library service. The library strives to maintain a well-organized and accessible collection of current informational and recreational library materials, and to house a small local history collection for citizens of all ages. Efforts are made to keep the public aware of services available, to evaluate the changing needs of the community and to provide the best possible library service for the residents of the area.
